**POSITION
PAPER**

Forum:
Topic:
Delegation:

1. Introduction

(Introduction on the topic at hand- its importance, short paragraph or two)

2. General Overview – Background information

*(History of the issue; the issue today; important statistics, facts and figures)
(Subtopic forum: mention title of subtopic chosen as a subheading along with a detailed paragraph)*

3. Your country's involvement and foreign policy towards the issue

(State your foreign policy towards the issue. Mention what your country did in the past or is doing to solve the issue. If your country did not do anything yet, just mention your country's foreign policy towards the issue. You could also mention measures taken by other countries if they are significant)

4. UN Involvement, Relevant Resolutions, Treaties and Events:

Name of the Resolution, Date of the Resolution (Resolution Number) and explanation of what the resolution attempted or did,

(For subtopic forum; mention resolutions on the subtopic chosen)

- **example: International cooperation to address and mitigate the consequences at the Chernobyl nuclear power plant 1990 (A/RES/45/190)**

5. Possible Solutions

(Come up with 4 different solutions of your own, each in a paragraph. They must be detailed (who, why, where, how...) as this will help you when writing resolutions. You must have a different idea for each solution. Try to come up with ideas that are based on your country's foreign policy).
