GA3 President Bio

Name: Jana Kawalit

Grade :11

Favorite quote: “Alone we can do so little; together we can do so much.”-Helen Keller

Favorite conference: AMMUN XXIV

Contant information: jana_kawalit@abs.edu.jo

I am honored to serve as the President of the Third General Assembly at AMMUN XXIV. This committee holds a special place in my MUN journey, as it was where I had my very first MUN experience. I still remember walking into the committee room unsure of what to expect, nervous to speak, and gradually becoming more confident in raising my placard and sharing my ideas. That experience was what first made me enjoy MUN, so returning to the Third General Assembly as President feels especially meaningful.

What I value most about MUN is that it extends far beyond speeches and resolutions. It is an opportunity to meet new people, challenge yourself, defend your ideas, and gain new perspectives by listening to others. Throughout my experience, I have become more comfortable speaking in front of a room, thinking on my feet, and expressing my ideas clearly. More importantly, I have learned that effective debate is not only about speaking confidently. It is also about listening, understanding different perspectives, and working with others to reach common ground.

As President, I hope to create a committee where delegates feel comfortable participating, asking questions, making mistakes, and learning from one another. Whether this is your first MUN conference or one of many, I hope that the Third General Assembly gives you the opportunity to grow, challenge yourself, and make lasting memories.

I am looking forward to meeting all of you and making the Third General Assembly a memorable part of your AMMUN XXIV experience.

Jana Kawalit

President of the Third General Assembly
